REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322 FOR
CORRECTION OF OFFICE MISTAKE

ATTN: Certificate of Correction Branch
Honorable Commissioner of Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

As provided in detail in the attached, the patentee respectfully requests that a Certificate of Correction be granted in the above-identified patent to correct a mistake in a patent, incurred through the fault of the Office.

Under 37 CFR 1.322, "The Commissioner may issue a certificate of correction pursuant to 35 U.S.C. 254 to correct a mistake in a patent, incurred through the fault of the Office, which mistake is clearly disclosed in the records of the Office at the request of the patentee or the patentee's assignee."

The patentee furthermore requests Expedited Issuance of this Certificate of Correction in accordance with MPEP § 1480.01. Specifically, this section provides that:

RECEIVED-US

JUL 25 2008

In an effort to reduce the overall time required in processing and granting Certificate of Correction requests, the Office will expedite processing and granting of patentee requests where such requests are accompanied by evidence to show that the error is attributable solely to

the Office Where the correction requested was incurred through the fault of the Office, and the matter is clearly disclosed in the records of the Office, and is accompanied by documentation that unequivocally supports the patentee's assertion(s), a Certificate of Correction will be expeditiously issued. MPEP § 1480.01

The following error appears to have occurred through the fault of the Office, and the patentee respectfully requests correction thereof.

The present application and resulting patent are assigned to Semiconductor Energy Laboratory Co., Ltd. of 398, Hase, Atsugi-shi, Kanagawa-ken 243-0036 Japan. This information is set forth by the Applicant, for example, in the copy of the *Assignment and Notice of Recordation of Assignment Document* filed with the present application on December 27, 2000, and in the *Notice of Allowance and Issue Fee Due Form* (PTOL-85), Box 3.

Apparently due to Patent Office error, a typographical error was introduced into the assignee's name. As a result, an error appears on the face of the issued patent. Specifically, in Section (73) Assignee, "Labaratory" appears instead of "Laboratory." Therefore, the patentee respectfully requests entry of the present *Certificate of Correction* in order to correct this error.
